Who We Are I

Thank you for your interest in Stoney's hosting your event. We have three beautiful waterfront locations to choose from. Each are unique and feature our award winning food and service. For over 20 years Stoney's has been serving award winning crab cakes in Calvert County, Maryland. Since opening our first location in Broomes Island, MD, we have been hailed:

"The best place for crabcakes" - Best of the Bay

"Softball sized cakes, light on filling, with meat so fresh it tastes like a whole new food group" - Coastal Living

"Best all around crabcakes" - Washington Post

We have grown to a family of three restaurants and continue to serve the best that the Baltimore and Washington D.C. area has to offer. Our menus do not stop with crab cakes but also offer a variety of steaks, seafoods, appetizers, and salads. Each location offers beautiful views of the Chesapeake Bay. In addition to our restaurants, our services have expanded to include off site catering, charter cruises, fishing trips, and a stunning event site. Escape the ordinary - this unique waterfront location is surrounded by a 270 degree panoramic water view of the Chesapeake Bay, Patuxent River and Saint Leonard Creek. This picturesque location, featuring lush landscaping, creates the perfect backdrop for your event. Our island oasis, *The Point*, is quickly becoming the premier location for Maryland brides and other events.

The Point is conveniently located in Broomes Island, Maryland. The location is just several miles by car or boat from the popular tourist destination of Solomons Island. Both waterman-founded communities are a short drive from the District of Columbia and Baltimore. If you prefer to travel by water, docking slips are available.

Our quaint guest house has been fully renovated to provide overnight accommodations. It is located just steps from our restaurant and wedding pavilion at *The Point*. Enjoy the amenities of a full kitchen and spacious living areas while spending time with family and friends.

Located a stroll away from our event tent is *The Boat Bar*. The charter fishing boat, dry docked at its final resting place, is a testimony to the watermen who founded Broomes Island. It now serves as a fully functional bar. This renovated beauty, with its curved hull and Brazilian cherry bar top, provides an ideal location for a cocktail hour and is available during your event at *The Point*. Add to your special occasion by specifying your own signature food and beverage. Choosing a raw bar with butler style h'ordeourve service before dinner, or coffee and deserts with cigars and cognac after dinner, are sure to add to the festivities.

Weddings at *The Point*

There are many variables that affect the rental fee including the time of year, time of day, and season. We can assist you in making choices that will fit your particular budget. Wedding area rentals are approximately \$1500 to \$3000 for four hours and include use of our bridal suite accommodations before the event. Additional options such as use of the guest house overnight, or a charter boat tour of the Chesapeake, are available.

We can assist you in planning your event so that it “comes to life” the way you have always imagined. For more information or to schedule a consultation and tour, please contact our events team.
